CAKES & DESSERTS

DESIGNING AND ORDERING YOUR CAKE

- How many guests do you expect to feed?
- Do you have a design in mind? (including type of stand or table arrangement)
- What cake flavors do you love? What fillings and icings are you dreaming about?
- Are you planning to use fresh flower accents? (If so, we will need the florist contact to coordinate)

All of our cakes are made from scratch utilizing the highest quality ingredients, such as Madagascar vanilla bean, local fruit and European chocolate. Our expert cake artists will customize your design and turn your vision into a delicious reality.
